## Professional Summary

Ambitious and highly motivated Fullstack Developer with a strong foundation in both backend and frontend technologies. Currently transitioning into frontend-focused roles, with hands-on experience in React, Angular, and modern development practices. Passionate about clean code, creative solutions, and delivering user-centered applications.

## Technical Skills

- **Languages & Backend:** C#, .NET Core 8, Java, Python, C++
- **Frontend:** HTML, CSS, JavaScript, TypeScript, Angular 18, React 19
- **Databases:** SQL Server, MySQL
- **Tools & Technologies:** Git, Entity Framework, Redux, Web API, Docker, AWS (S3), Clever Cloud, Linux
- **AI Tools:** Copilot, ChatGPT, Gemini
- **Computer Science Knowledge:** Algorithms, Data Structures, Operating Systems, Statistics

## Professional Experience

### AI File Tagging System – Full stack Developer

- Built a file management system with automatic tag generation using LLM-based NLP models.
- Used React 19 and Angular 18, integrated MUI and Angular Material libraries.
- Utilized AWS S3 and Clever Cloud for storage and DB hosting.
- Implemented user authentication (JWT), encryption, and secure API interaction.

### Courses-Site – Learning Management System

- Built a digital course platform using Angular 18 and Reactive Forms.
- Developed APIs and handled client-server communication.

### Recipes-Site – Social Cooking Platform

- Designed a recipe-sharing site using React 19, Node.js backend, and MUI for styling.

### CLI Tool in .NET

- Created a .NET command-line tool to parse and process code snippets via C#.

### HTML-Serializer Utility

- Developed an HTML parsing tool using .NET and regular expressions.

### Todo List App

- Built a fullstack task management app using C# (.NET), React, and MySQL.

### 2048 Cupcakes Game

- Implemented a browser-based version using vanilla JS, HTML, and CSS.

## Education

**2023–2025** | Software Engineering Practical Engineer Diploma | Kama Tech, certified by the Israeli Ministry of Labor (MaHAT) | Graduated with honors – GPA: 99

**2019–2022** | High School Studies including Saled Exams | | Graduated with honors – GPA: 97

## Languages:

- Hebrew – Native
- English – High proficiency
